What is MO RIDES-Meramec?

MO RIDES-Meramec is a referral service that connects riders to transportation providers, whether you are in the rural area or “in town.”

MO RIDES-Meramec coordinates efforts with existing transportation providers to find affordable transportation for people who need a ride to work, medical appointments, shopping, church or anywhere they wish to go.

There is no cost for the referral services, however, rides are not free. You pay the transportation provider for your ride.
